## **MATCH CONDITIONS**

As the appointed umpire it is your responsibility to be fully conversant with the match conditions that apply to the grade you are umpiring. **It is not a good look for an umpire to be asking competing teams what the rules are but this continues happen at some matches on a weekly basis.**

Match conditions (rules) for all competitions within SANFL Juniors are on the SANFL website <http://sanfl.com.au/juniors-umpiring-resources/>

NB: Matches played at Hectorville (Daly Oval) and Gaza (Klemzig) in Under 8 – Under 11 follow SANFL Juniors match conditions **NOT** North East U6 – U11 match conditions

## **SANFL JUNIORS RULES & REGULATIONS**

Clubs have been advised that umpires are NOT a walking encyclopedia of the competition's Rules and Regulations. Many questions are being directed to umpires that clearly are the responsibility of the Competition Management team. If you are asked any questions that do not relate to match conditions there is no expectation on you to answer them. Clubs are to be directed to call Competition Management on 84406931 for clarification.

## **Equalisation Policy**

Please be aware of this policy in respect of player numbers. As per the guidelines we expect that clubs make agreement with each other in the first instance. Umpire involvement should be rare.

## **Injured Players**

Umpires should not get involved in the treatment of injured players.

Medical/first aid matters are to be left to clubs to attend to. By all means stop the play if play is in the area of the injured player.
