MATCH DAY REMINDERS

- WALKING – way too much walking by umpires is being observed in matches. It looks unprofessional, shows a lack of respect for the match you are umpiring and shouldn't be happening. If you are walking because you are not fit enough or have umpired too many games over the weekend let us know and we won't appoint you. An umpire who is walking in preference to jogging/running/sprinting isn't switched on or concentrating. Hence decision making becomes lazy and vital free kicks are missed. Umpire coaches, observers and mentors from matches will be monitoring this area closely in future matches.
- YELLOW CARDS – when recording YELLOW CARD incident on MDP app if it is "misconduct" or similar please provide expanded details of the incident that triggered the send off.
- VOTES – 3,2,1 voting is a joint responsibility of both umpires until votes are received by SANFL Juniors via MDP app or email. Too often follow up of votes is met with "the other umpire was doing it". This is not accepted. Similarly, can't remember isn't an excuse either. For integrity of all awards votes must be a joint discussion and lodged accurately and in a timely manner.
- MDP app – on the grades that do not keep score nor require 3-2-1 votes recording of team behaviour ratings via MDP app is required in all cases

NO SHOWS

It is frustrating that we are still plagued by umpires not turning up to their appointed matches without notification.
