Umpire Communication Framework

For this season we introduced the Umpire Communication Framework to limit access to umpires by club personnel and also control for what purpose umpires could be spoken to.

Despite this we are aware of many instances where umpires are being approached by coaches, runners, club boundary/goal umpires, ground marshalls, etc outside of the 'framework' but as it is not reported by umpires no action can be taken.

The TEAM MANAGER (ORANGE vest) is the ONLY official who can speak with you on match day.

Please review the instructions **attached** and report ANY breach of this framework that occurs on match day via email to Barry.Oates@sanfl.com.au

Runners

- Runners
 - Runners are to deliver a message and immediately leave the field
 - Runners who are "coaching" or loitering on the field are to be asked to leave the field immediately by the field umpire
 - If a second instance occurs field umpire is to pay a free kick against the runner for interfering with play

Field Umpires can order the runner from the field ground if they feel the runner is on the ground too much. (YELLOW Card initially. RED Card for a further instance in the same match)

Uniform Collection

Uniform collection is by appointment **ONLY**.

Leanne will advise when a uniform is available for collection and arrange a time for you to call in to Adelaide Oval and collect.

- Adelaide Oval reception will turn you away if you do not have an appointment
- Collection is not available on Saturday or Sunday

Reminders
